

## Meet Tanya Magnus

Tanya is a Jill-of-all-trade's. She's been a professional athlete, built several small businesses, has been in the corporate world, earned a business/accounting degree, served in many leadership roles and has even been in the music business. But it was through Tanya's study of God's Word she found her heart's true home and learned her identity in Christ means more than all the fame and fortune the world can offer.

Leading, teaching, equipping, and coaching women with His truths and discovery of who they really are in Christ, is Tanya's strength. She has been described as inspirational, real, funny, wise, and known to many as a "fire starter." Tanya wants nothing more than for women to understand their identity in Christ and become all that God intended for them to become.

Tanya currently serves as Executive Director of Choose to Soar Ministries. She is the author of several Bible Studies and Bible Study Communicator Trainings, Leadership Trainings, and is a certified Leadership/Life Coach. Tanya's vision of moving young women forward in Life and Leadership has been created in the form of the program Protege. Protege answers the call to raise up the next generation, as Psalm 71:18, and Psalm 71:4 commands.

Choose to Soar Ministries was founded on biblical truths, and a passion to ignite faith in others with a result in lives being changed. CTS helps develop and support others callings. We do this by teaching, equipping, encouraging, shepherding, and coaching.

Don't miss the fun side of Tanya, as she loves to make people laugh. Through her element, Comedy, Cupcakes, and Coffee, Tanya will have you laughing while being inspired to learn more about God at the same time.

Tanya and her husband, Gordon, have been married 33 years, and are members of Lake Pointe Church in Rockwall, Texas. When time allows, you will find Tanya on the golf course. They have one daughter, Taylor, attending the University of Arkansas.

### **What others are saying about Tanya's trainings:**

**"Tanya made us laugh and learn while being inspired to learn more about God."**

**"Tanya used great humor and distilled a lot of information into memorable, digestible pieces. I will take a lot out of this and implement things."**

**“Tanya was a terrific trainer and speaker and also very entertaining sense of humor.”**

**“This message was exactly what I needed, to ignite my passion and to rediscover my spiritual gifts [that] I know I have.”**

**“Refreshing, renewing, re-discovering.”**

**“The information taught was very enlightening and delivered in a fun, festive way, using the Word in the teaching. God was glorified!!”**

Tanya Magnus Personal Mission Statement:

*My Mission is to Equip, Inspire, and Ignite faith in women so they will desire to become the masterpiece God intended.*
